SpiceJet Launches Direct Flights to Port Blair and Udaipur – Your Perfect Winter Getaway Awaits!

Airline expands its network with daily flights connecting Delhi, Mumbai, and Kolkata to two of India's most scenic destinations

SpiceJet to more than double its fleet and daily flights this winter, adding several exciting new routes to its network

GURUGRAM, October 8, 2025: SpiceJet is excited to announce the launch of daily flights to two of India's most sought-after winter destinations – Port Blair, the capital of the Andaman and Nicobar Islands, and Udaipur, the city of lakes. The airline will operate daily flights to Port Blair from Kolkata and Delhi, and to Udaipur from Delhi and Mumbai, offering travellers the perfect opportunity to plan their winter getaways.

As part of its ambitious winter expansion plan, SpiceJet is adding new routes, more flights, and a significantly larger fleet to meet soaring travel demand. The airline is set to more than double both its daily flights and operational fleet this winter, with several exciting new destinations on the horizon.

Flights to Port Blair have already commenced, while daily non-stop flights to Udaipur from Delhi and Mumbai will begin November 6, 2025. Tickets are available for booking on SpiceJet's official website and mobile app.

Passengers flying to Port Blair from Kolkata will enjoy seamless, non-stop connectivity, while those travelling from Delhi will make a short stopover at Kolkata. The Delhi–Port Blair service is a direct connection with no aircraft change, ensuring a smooth and convenient journey.

Debojo Maharshi, Chief Business Officer, SpiceJet, said, "As winter approaches, we are thrilled to offer travellers two of India's most beautiful destinations – the Andamans and Udaipur – now easily accessible with our new direct and non-stop flights. Whether it's a beachside escape or a royal retreat, SpiceJet is making your dream holiday closer than ever. This expansion is part of our larger commitment to strengthen our domestic network and provide seamless, affordable, and delightful travel experiences to our passengers."

About SpiceJet:

SpiceJet is India's favourite airline that has made flying affordable for more Indians than ever before. SpiceJet is an IATA-IOSA certified airline that operates a fleet of Boeing 737s & Q-400s and is one of the country's largest regional players operating multiple daily flights under UDAN or the Regional Connectivity Scheme. The majority of the airline's fleet offers SpiceMax, the most spacious economy-class seating in India.
